

ACADEMY BIRTHDAYS

Important Party Information

GUEST POLICY

We expect adult chaperones be present during the party and require a 1 to 5 adult to child ratio. Our staff may ask you and your adults guests help with gathering and monitoring the children for the planned party activities. Parties have a maximum of 30 guests including adults and children. Children are defined as 1 year and older and count towards the guest count.

TICKETS

Your tickets will be issued to you via email after you have completed your booking. You are responsible for distributing your birthday party tickets to your guests prior to your entry into the museum. Please note that the base package includes up to 16 guests (including the birthday family), and you may add additional guests up to the capacity of 30(including the birthday family).

FOOD

Cupcakes and beverages (water, choice of milk or juice) are included in the base party package. We do not allow outside food or drinks, but you may order additional food and beverages from the menu on our birthday webpage. Any additional food orders must be finalized a minimum of two weeks prior to the event with all final counts due five business days prior to the event.

DECOR

Our party room is highly decorated and engaging. We have 4 “Happy Birthday” decorative banners and our cafe provides all napkins, cups, plates and utensils for your guests. We also can provide candles and a lighter. We do not allow balloons, confetti, other party decorations, or outside entertainment.

PARTY FAVORS

Each child receives an educational, science themed gift. The birthday child will receive their own special Academy gift. You may bring other items to supplement the included party favors, but items like bouncy balls, flying or projectile objects and toys, or things that can be thrown and potentially end up in an exhibit are not allowed. Any presents and favors must be taken with you at the end of the party. Our apologies, but we cannot store any personal effects, gifts, decor, or other items, before or after the duration of the party
