

Ways to Give

Your gift to the California Academy of Sciences helps regenerate the natural world through science, learning, and collaboration. Please keep this list for easy reference on how you can make the best gift for you to advance the Academy's mission. For more information, please visit our website at calacademy.org/support.

Mail a Check

Mail a check made payable to the California Academy of Sciences to Development Office, 55 Music Concourse Drive, San Francisco, CA 94118. Gifts made by check save the Academy from credit card processing fees.

Give Online

Make your gift anytime using your credit card, checking account, ApplePay, GooglePay or PayPal through our website: calacademy.org/donate

Recurring Gifts

Make a gift that supports the Academy all-year long with an automatic recurring gift. Opt in with the amount and frequency (monthly, quarterly, annually) that works best for you when you give online.

Stock Gifts and Wire Transfers

Gifts of appreciated stock and mutual funds may be deductible at their full market value and exempt from a capital gains tax. Please alert the Academy at 415-379-5405 or donations@calacademy.org when you initiate a stock or wire transfer.

Charitable Gift Annuities

Convert a low-earning asset into an income stream for life and a future gift for the Academy with a simple contract. Age and minimum gift amounts apply. Contact us to learn more. You receive a tax-deduction today, income for life, and create a future gift to the Academy.

Qualified Charitable Distributions/IRA RMDs

If you are age 70 ½ or older, you can use your retirement plan's Required Minimum Distribution (RMD) to make a tax-free gift directly to the Academy to fulfill your distribution requirement and eliminate taxable income while allowing your hard-earned savings to be put to work at an organization that matters to you.

Will/Trust and Estate Planning

Ordinary people can make extraordinary gifts by naming the Academy as a beneficiary in their will, trust, IRA or other financial accounts. These special donors—our Eastwood Associates—are a community of honored philanthropists who guarantee the Academy's future.

Beneficiary Designations

List the Academy as a beneficiary of your IRA, 401(k), life insurance, donor-advised fund, or other financial asset to further your philanthropic goals without having to change your will/trust. Simply complete a "Designation of Beneficiary" form, often found on your plan's website, and list the California Academy of Sciences as the beneficiary of all or a percentage of your account as a nonprofit relationship. To ensure the Academy receives your future gift, contact us to provide the necessary information for the future. Your gift may not be received without it.

Corporate Matching Gifts, Volunteer Hours, & Payroll Deductions

Many employers match gifts or make gifts in honor of time volunteered, increasing your impact to the Academy. You can designate the California Academy of Sciences to be the recipient of your payroll deduction gift. Additionally, you can name the Academy as a beneficiary of your employer-sponsored benefits, including your life insurance or 401(k).

Other Ways of Giving

The Academy accepts gifts of cryptocurrency, real estate, cars/vehicles, scientific collections, pre-IPO stock, and other assets.

Direct gifts from your Donor-Advised Fund, Charitable Gift Fund, or PayPal account. Select the Academy to receive contributions from AmazonSmile, Facebook Fundraisers, Crowd-Funding, SurveyMonkey, or other giving channels.

You should consult with your tax advisor about directing a donation to the Academy from a Donor Advised Fund when you may receive something of more than the incidental value in return, such as event tickets or museum membership.
